

All section 5 possessions must, other than by exception, hand back in order to allow infrastructure monitoring trains to operate. The following pages show on which days infrastructure monitoring trains are scheduled to operate in Wales Route. In addition to the PLP, TRV and UTU runs, a number of MPVs are scheduled to monitor complex S&C layouts. These are outlined immediately below.

Infrastructure monitoring Multi Purpose Vehicles will undertake recording work on the S&C at the following locations on the following days:

Newport: Wednesday nights in weeks 51 and 25

Cardiff Central: Thursday nights in weeks 37, 51, 12 and 25

Swansea: Wednesday nights in weeks 37 and 12
