

Kent and Sussex Routes

ARP 2026/27, weeks 2 to 26 - Forward Work Look Ahead Section 5 format notes

As a trial the Kent and Sussex Routes Section 5 has been published in two formats.

The first format is as traditionally presented.

The second format collates possessions with the same details into a single row, with a list of weeks when the possession will be taken provided. This version does not contain any colour-coding.

There should be no discrepancy between the formats, but in the event of any discrepancy the first version takes precedence.

We would welcome feedback, provided to the Kent and Sussex Route Planning team, from TOCs and FOCs on the usefulness of the second format.
